

EU Type-Examination Certificate

Holder	AREXIM ENGINEERING EAD Industrial Zone North 4700 Smolyan BULGARIA
Registration No.	C6403AREXIM/RO
Product	Goggle with oculars without filtering action
Type, Model	ARX
Testing basis	DIN EN 166:2002-04
Test reports/Test marks	11471-PZA-20
Marking of the product	Detailed marking see annex
Validity period	2020-04-23 to 2021-04-22
Conformity	DIN CERTCO confirms that the prototype complies with the essential health and safety requirements according to the Annex II of Regulation (EU) 2016/425 on personal protective equipment. This assessment was based on the test samples submitted by the manufacturer or authorised representative, the technical documentation and the test report of the test laboratory.

Any previous versions of this EU Type-Examination Certificate hereby cease to be valid.

Please see the annex for further information.

Certificate	C6403AREXIM/RO dated 2020-04-23
Manufacturer's Identification	AREXIM
Marking of the product	AREXIM CE
Product specification	<p>Mechanical strength: increased robustness S (23°C) Optical class: 1 Protection against droplets and splashes of liquids: 3</p> <p>Ocular Material: Polycarbonate Colour: Untinted Centre thickness: 1.5 mm</p> <p>Frame Material: PVC, silicone rubber band Colour: Untinted, white</p>
Additional product information	<p>The eye protection device meets the basic health and safety requirements of the PPE regulation. It does not offer any protection against mechanical impacts. The eye protection device is only for medical staff or employees of rescue services and only for the duration of the current health threat. The eye protection device protects against droplets and splashes of liquids. This reduces the risk of droplet infection. Due to its design, full protection against viruses, bacteria or other biological agents is only given to a limited extent. The eye protection device can be combined with facemasks. The eye protection device shall be disposed of after use.</p> <p>Marking of the product: The label (including the manufacturer's code) is not required on the product itself, but shall be applied to each packaging unit.</p>
Regulations/ Liabilities	<p>This EU Type-Examination Certificate is the property of DIN CERTCO and may be withdrawn if the conditions on which its issue was based are no longer met.</p> <p>The information leaflet (instructions for use) for the specified eye protection product must be written in the official language of the country of destination and include, among other things, the following details of the Notified Body:</p>

GERMANY

Identification number of the Notified Body: 0196

As far as possible, the product must be marked with a type, batch or serial number or other element allowing its identification.

As far as possible, the product must be marked with the name and postal address of the manufacturer or, if the manufacturer is not based in the European Economic Area, the name and contact address of an authorised representative or importer based in the European Economic Area.

The product or its packaging must be indelibly and unambiguously marked with the month and year of manufacture and/or the month and year of obsolescence.

It is not permitted to mark the product with the identification number 0196.

All changes to the product, the technical documentation or to the quality assurance system must be notified to DIN CERTCO in writing.

The General Terms and Conditions of DIN CERTCO apply.
